They will be dancing at 1pm and will need to wear school uniform.

Year 5 Food and Farming Day

What a fantastic trip we had at Writtle College! The weather was very hot but the activities kept us happy and busy. We all learnt so much about where local food comes from and talked to a range of different farmers and food producers.

I think the three main highlights of the day for the children were; the sheep show (including dancing sheep!), petting a whole range of different animals (turkeys, pigs, cows, goats and alpacas) and the range of different food to try (apples to sausages, oranges to peas, cucumber to milkshakes!).

Thank you so much to the parent helpers who came along to help too!

SEND Tea and Chat

There will be a SEND Tea and Chat at 2:15 on 14/07/2026.

Please can parents email Senco@stockessex.co.uk if they would like to attend. All welcome.

Fans

Please note that fans are not allowed to be brought in to school by the children. They are likely to be lost or damaged, causing upset and are a distraction for the children. All classrooms have a fan and are ventilated and children have access to water throughout the day to ensure they stay hydrated and cool in these warmer temperatures we are currently experiencing.
