

Stock Church of England Primary School Sports Funding 2025 – 2026 £17,790

The government is providing additional funding to achieve self-sustaining improvement in the quality of physical education (PE) and sport in primary schools. Each school will receive £16,000 for the academic year plus a top-up of £10 per eligible pupil (5-11). This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school. The following chart shows how we have allocated our funding to improve the provision of sport:

Development	Who will benefit?	Costs	Desired Impact	Progress to Date – July 2026
*Subscription to the Sports Partnership	All staff and children	£1982.30 partnership subscription	*Increased confidence, knowledge and skills of all staff in teaching PE and sport. *Increased participation in competitions - targeting disadvantaged pupils *Pathways to other active events and outside organisations.	The subject leader attended PLT meetings with regards to whole school PE initiatives and competitions; links with other schools were maintained and training in Netball and Outdoor and Adventurous Activities (OAA) was received. A greater number and variety of competitions were entered this year, ensuring greater opportunity for our more disadvantaged children. Year 6 Sports leaders attended training to support with arranging games and supporting play for younger children at lunchtimes

				Pathways to events signposted to parents including active Essex events.
Staff for SGO competitions	Children	£2021.13 Staffing costs to organise and attend external activities led by SGO network.	To increase disadvantaged access to extra curricular sports activities. To ensure there is access for all - including the more disadvantaged pupils.	This year children, including our disadvantaged children have had opportunities to participate in football, tennis, and orienteering competitions in addition to netball and athletics.
Transport for inter-school competition	Children in Key stage 2	£695.00 Coach to transport children to District sports competition	To increase access to competitions - all children selected are transported safely.	32 children from Keystage 2 competed against other schools in The Sports Partnership. Year 3 and 4 achieved first place.
Staff for external/other competitions	Children	£579.56 Staffing costs for additional competition	To increase access to competitions	This year, 25 children participated in The London Mini Marathon, accompanied by a member of staff
Staff for internal CPD	Staff plus children	£609.55	To provide ECT with statutory gymnastics safety training thus enabling full curriculum coverage.	All staff in Key Stage 2 now have the necessary training to deliver the gymnastics curriculum, ensuring all children receive a broad and balanced PE curriculum.

			In addition, staff were involved in playleader training , allowing them to support the children in this role.	
Extra curricular sports opportunities	Children	£1,635.22	To provide children with extra curricular training opportunities thus ensuring no children are disadvantaged when entering competitions.	Children attended the after school events including netball, football and cricket, and participated in inter-school competition.
PE Equipment for (Lunch time equip)	All children	£9194.73 - Repairing and replacing damaged trim trail equipment Repair of gymnastics apparatus Purchase of playground games and equipment Purchase of PE equipment	Health and fitness of children increased Increased physical activity Replacement of damaged equipment Increased physical activity at lunchtimes To encourage a wider variety of sports to be played	The trim trail is used regularly by the children promoting active breaktimes for all children. All equipment is safe to use and is used by all year groups Increased physical activity at lunchtimes, led by playleaders. Increased range of athletics and games equipment purchased, leading to a wider range of sports available.

Swimming	Year 6	£919.94 - Coach and pool hire £586.95 LSA support for Year 6 children	Top up swimming sessions for Year 6 pupils who had not passed their 25m swimming proficiency. Children to be able to perform self-rescue.	Children who attended these sessions made progress towards their 25m. 88.5% of Year 6 children can now effectively use a range of strokes to competently and confidently swim 25m, and perform self-rescue. The remaining children all made good progress towards 25m and could perform self rescue with adaptations.
